I cannot say too much in praise of Dodd's Kidney Pills. They are the greatest kidney and heart medicine I ever used. I had been troubled for over three years with a severe pain in my heart, which entirely disappeared after I had taken a few doses of Dodd's Kidney Pills. I also gave them to my little girl, whose kidneys had been weak, and she commenced to improve from the very first dose. Dodd's Kidney Pills are certainly a wonderful medi-Pills are certainly a wonderful medi-cine. Little Left to Stand On.

A scientist has now arisen who declares the Gulf stream is a myth. If science continues its devastating way we shall soon have nothing left to cling to but esoteric Buddhism and the significance of cat tracks.

Perils of Civilization.

If we are driven to the hard labor of opening oysters for the sake of avoiding preservaline and to milking cows to keep clear of formaldehyde it is evident that the highest civilization has not lightened our burdens, but rather added to them. MEDICAL EXAMINER

Of the U. S. Treasury Recommends Peruna.

Dr Llewenyn Jordan Dr. Llewellyn Jordan, Medical Examines of U. S. Treasury Department, graduate of a College, and who served three West Point, has the following to of Peruna:

" Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Fellow sufferers, Peruna will cure you."

Catarrh is a systemic disease curable only by systematic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does. Peruna immediately invigorates the nerve-centers which give vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured. Peruna cures catarrh wherever located. Peruna is not a guess nor an experiment—it is an absolute scientific certainty. Peruna has no substitutes—no rivals. Insist upon having Peruna.
